

PEACE Zone, Inc.

Celebrating our 1st full year

Connect with us:

Highlights

Visitors averaged 25 per day by the end of the year

PEACE Zone helped over 400 individuals who visited more than 3,500 times

105 attendees participated in four different community education forums on depression, anxiety, hoarding, and navigating the healthcare marketplace

A survey of our members revealed that 98% would recommend PEACE Zone to others who struggle with mental health issues

"Every time I come here, I feel stronger and more motivated."

"It is helping with my social skills and helping me become more confident."

Our Mission

PEACE Zone's mission is to promote mental health wellness and recovery for individuals and to educate the community about mental health issues. Our members are encouraged to realize their full potential. Members are empowered through peer support, socialization opportunities, advocacy, recovery education, and being inspired to take an active role in the community.
