Our Mission

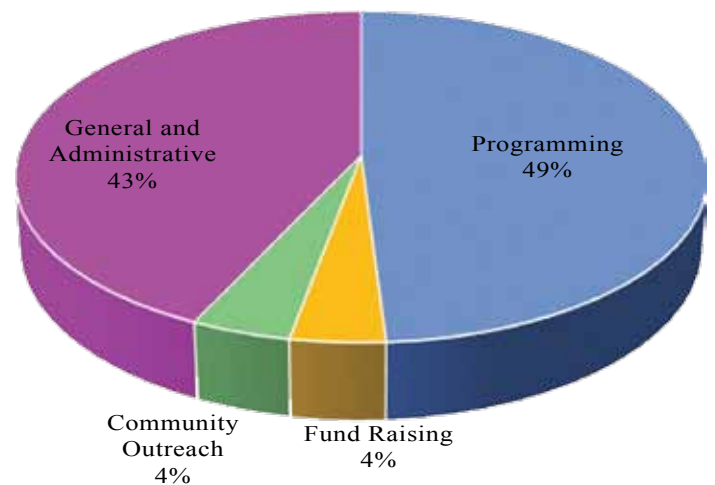

Peace Zone's mission is to promote mental health wellness and recovery, and to educate the community about mental health issues.

“Peace Zone is helping me find positive outlets like doing art, writing or reading. It is also helping me be around people instead of being alone.”

“My self-confidence, my readiness to accept life and its problems, and my art have all improved after coming to and volunteering for Peace Zone. The groups are all informative and I socialize well with other members.”
