Peer Empowerment and Recovery

WHAT IS A REGIONAL RECOVERY HUB?

The Indiana Recovery Network, a program of Mental Health America of Indiana, partnered with the Division of Mental Health and Addiction, with support from the Governor's Office of Next Level Recovery to create a statewide Regional Recovery Hub program in 2020. These Hubs connect Hoosiers experiencing substance use and mental health concerns to recovery and other support services. Regardless of where an individual is in their recovery journey, Peer Support Professionals at the Regional Recovery Hubs are available to assist.
